acknowledge individuals for their years of service.

A Note of Thanks

As we close out the Docent Field Trips for this year with a trip to The Pacific Arts Foundation, I want to take this opportunity to thank all of you for your support and participation over the past two years. It has been my privilege to enjoy so many wonderful art experiences with those of you who have been able to join in. I am particularly grateful to so many of you who brought the delicious treats and wrote about the adventure for *Docent Doings*. It takes a 'docent village,' so here's a round of applause to you all for being part of the 14 trips and 20 art experiences that we shared. I appreciated the opportunity and loved every minute.

Onward to next year!
Merle Stern

Heritage Park Studio Arts Festival

Each June, the Irvine Fine Arts Center hosts the annual Studio Arts Festival in Heritage Park. The juried festival showcases Southern California artists and their original works of art for purchase in ceramics, sculpture, jewelry, painting, photography, fiber and glass. The festival also features a live performance by Alpha Mule, art demonstrations, and food including ice cream sundaes served in handmade collectible ceramic bowls.

I will be hosting a booth, *original ceramics*, and would love to see some familiar faces!

Looking forward to seeing you,
Mary Grant Blacker
